

Brown & Tawse Steelstock Limited
Group – QUALITY STATEMENT

The Brown & Tawse Steelstock Limited Group has been providing a service since 1996 and is committed to the continuous development and improvement of the business and its employees. It is the group's policy to maintain a quality system that will comply with requirements, continually improve effectiveness, and consistently achieve customer expectation, in addition to providing a framework for establishing and reviewing quality objectives

All group companies will comply with applicable legislation and other requirements relating to all aspects of the business including Human Resources, products and associated processing, handling and distribution.

Overall responsibility for the Quality Management system is accepted by the Company Directors and their appointed representatives, and will ensure that the quality policy and procedures are communicated and understood throughout the group

Wherever possible our products will be sourced from ISO 9001 approved sources, but not exclusively.
